

## Clinical Laboratory Science Concentration Courses

Course Number		Course Name
Lecture	Lab	
BIOL2060	2061	Microbiology I
BIOL4190&	4191&	Immunology
BIOL4730*		Clinical Hematology and Coagulation
BIOL4740*		Clinical Urinalysis
BIOL4750*		Clinical Chemistry
BIOL4760*		Clinical Immunology and Serology
BIOL4770*		Clinical Microbiology
BIOL4780*		Clinical Immunohematology
BIOL4790*		Laboratory Management
BIOL4350	4351	Biological Chemistry I
CHEM3010	3011	Organic Chemistry

& Offered Spring semesters ONLY at NSU

\* These courses must be taken with an affiliated training program approved by the Council on Allied Health Education and Accreditation.
